## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance. None of the prior art of record, alone or in combination, discloses an apparatus and a method for effecting a desired change in the annulus of a heart valve and limiting mitral leaflet prolapse, where the apparatus and method includes, inter alia, the deployment of first and second plication bands to heart valve tissue, where each band has first and second substantially straight and parallel legs and a deformable bridge connecting the legs, and where a linking construct or an elongated linking strip is adapted to extend across the annulus or a mouth of a valve, and where the linking construct or strip is connected to first and second plication bands, which are deployed to first and second portions of tissue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

 Any inquiry concerning this communication or earlier communications from the examiner should be directed to Julian W. Woo whose telephone number is 571-272-4707. The examiner can normally be reached on M-F, 6:30-4:00, Alt. Fri. OFF, 6:30-3:00 Fri. IN.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor. Anh Tuan Nguyen can be reached on 571-272-4963. The fax phone

number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
